Administration

Mr. Morris F. Roberts
Principal

Mr. Donald C. Burger
Assistant Principal

"Will the following people please report to room 212 at the beginning of the second period."

That familiar phrase in the announcements meant that those "following students" were to discover, the hard way, the effectiveness of the new administration system. This was the first year that Mrs. Butcher and Mr. Burger have had separate offices; Mrs. Butcher's for attendance, and Mr. Burger's for student activities. Report cards were issued from these offices too.

Also new this year was the early and late schedule system, which provided that some students come at 8:30 and leave at 2:17 and others from 9:17 to 3:10. On the whole, the idea of sleeping later or having more time in the afternoon appealed to all.

Over all this system, we have that halting hand in front of us as we run down the lower hall, that commanding form in assembly, that judgment voice to all hopeful seniors, that master punster, our principal—Mr. Morris F. Roberts.

We also have many others. Mr. Burger, Assistant Principal; the spark behind many student affairs and perhaps more behind the scene but equally as important, our Superintendent of Schools—Mr. K. K. Tibbitts, and that body of interested and responsible citizens, the School Board, who determine, encourage, and finance our education.

Mrs. Butcher

Cafeteria and Staff

OFFICE

When we came back to school this year we found quite a change in the arrangement of the office. Desks were arranged in a different way to provide more room and a new telephone system had been installed. Mrs. Short came as Mr. Robert's secretary close to the end of the school year. Irene Stafford and Ruby Rapp were familiar faces in the office staff again this year.

CAFETERIA

At the beginning of the second semester the tables in the cafeteria were arranged on either side of the room with a large isle down the center which proved to give more room and made it easier to get to the tables.

Office Staff: Irene Stafford, Ruby Raap, Betty Fitzgerald.

Maintenance Engineer: Mr. Owen "Brute" Reynolds.

Seniors

The day is one of early, very early, September of the year 1942. The hour is unimportant. The place is the hallowed halls of what has been called Wheaton's sweatshop, but is, in more cultured circles, known as Wheaton Community High School. To tell the truth, we can't exactly remember what the weather was like on that memorable day. It must have been hot. Anyway, that too, when you come right down to it, is unimportant. The really big thing about that day was that it was the beginning of the class of 46's wonderful career in high school.

It seems to us that there is too much stress put on the greenness of the freshman class, no matter what the year. Now take for instance, the freshman year of the class of 46. Were they shy? Were they slow to catch on? Were they not handsome and intelligent? We all know the answers to these rhetorical questions.

We all know that the senior class has, throughout these four eventful years, conducted itself in the best possible manner. Bob McAssey, Brooks Wilder, Dick Impey, and Jack Baschen have each lead our class well as our presidents. John Karner made a fine president of Student Conference. There are many other distinguished people in our class, of course. However, we do not wish to make this merely a list of important students. When it comes to that, we consider all the members of our class important.

Getting back to that September day of 1942, it was during a dark stage of the second world war. Singapore had fallen. The allies had not yet invaded Africa. The Germans were pushing the Russians back. It wasn't a good time for high school students. We had other things to think about besides football games and dances, which so many adults believed were our only foods for thought. And yet, life, as time, moves on no matter what happens, and there was the freshman-sophomore reception, naturally, and the Christmas dance. There was the basketball season, and semester exams. There were so many new things happening, that by June, we had almost forgotten that first September day.

In our sophomore year we, as experienced high school students, introduced Wheaton high to the new freshman class and gave them one of the finest receptions held in our school. As juniors, we put on a marvelous junior prom at the Baker Hotel which none of us will soon forget.

In this, our senior year, we have showed our merits to good advantage. The senior girls' dance was a great success, as was the Hardwood Hop, and the Christmas dance. Our football team won the Little Seven championship. The all-school picnic was great fun, and then, in early April, the senior class put on Class Nite, which was one of the best of many class nites in the past, having a beautiful stage set, and a floor show, and even scrubwomen to clean the place up. We held a senior ditch day, and a senior picnic. We went to the prom which was very nice—all we could have hoped for.

And now, as we look back upon our fast departing high school days, we suddenly realize what fun we've had. We started our senior year in a world at peace, and we move on into, not war, but normal lives. We've been lucky. The world is waiting for us, and the senior class moves on toward bright horizons.

Juniors

We did it once and we did it again. We showed the other classes we really knew what we were after by winning the War Bond drive and a half-day holiday.

Just to be a little different from the previous classes, we gave a murder mystery rather than a comedy for our junior play. "No Way Out" was givevn on November 2.

We are especially proud of our prom, which we moved from the Baker Hotel to the Elmhurst Country Club.

Football

WHEATON 0 GLENBARD 12 Before a capacity crowd at Grange Field, the Tigers were trimmed by their nearby rivals 12-0. Doc Hopf led several futile offensive assaults. Roll and Tyler talked for the visitors.

WHEATON 0 ST. CHARLES 0 Again Wheaton failed to hit stride as St. Charles holds team scoreless in deadlock. Several passes from Dick Mize to Sam Sublett and Don Patterson nearly resulted in a touchdown, but the combined efforts of the elements and, in a lesser degree, St. Charles stopped Wheaton on the Saint's 8 yard line.

WHEATON 9 DUNDEE 0 The Tigers finally came to life and defeated a big team from Dundee. With Sam Sublett and George Dryden sparking the drive the Tigers scored in the second period. Doc Hopf tallied from the three yard line. Also in the second period, the entire Tiger line trapped Unruh of Dundee behind the goal line for a safety.

WHEATON 34 BATAVIA 0 With Sam Sublett scoring three touchdowns, the Tigers rolled all over a small team from Batavia, scoring in every period. Every player on the Tiger team saw action, as the Tigers soared to their second successive Tiger conference victory. The touchdowns were scored by Sublett, Karner, and Dryden.

WHEATON 32 WEST CHICAGO 0 In their first out-of-town encounter, the Tigers trounced the West Chicago Wildcats 32-0. Sam Sublett scored three for the second successive week. Karner and Hopf also tallied, the latter on a 40 yard run.

WHEATON 8 GENEVA 7 The Tigers moved into first place in the little-seven conference by defeating hitherto unbeaten Geneva. Geneva scored on a pass in the first quarter and led 7-0. The Tigers retaliated, when Don Brinks blocked a Geneva third-down punt. On fourth down the Tiger line nailed Geneva quarterback

Acciari behind the goal line for a safety. The Tiger touchdown came in the second period when "Hurricane" Sublett took a flat pass from freshman Dryden and ran 34 yards for a score. Several times throughout the game the Tigers were stopped short of a score. The Tiger offense, sparked by Berry, netted 11 first downs to Geneva's 2.

WHEATON 19 SYCAMORE 0 The Tigers played sluggish football as they triumphed over hapless Sycamore. The Tiger score came in the second period when Doc Hopf passed to Elwood Chaney for a score. Sublett added the second and Wilder the third after rugged Don Brinks had blocked a Sycamore punt.

WHEATON 13 NAPERVILLE 6 The Tigers won the 1945 championship of the little seven conference when they came from behind to win over Naperville at the North Central College field. Naperville scored on a pass in the second period and led at halftime, 6-0. The Tigers counted in the third quarter on a 45 yard run by Hopf, following a 26 yard run off left-tackle by Berry. A few plays later Hopf threw a pass to Karl Kletschke, who was downed on the Naperville two yard line. On the first play, a quarterback sneak failed. Then the ball was given to Sublett who crashed over on a crossback to the left side. Hopf place-kicked the extra point.

Heavies

The Wheaton High School varsity basketball team, paced by high-scoring Capt. Don Patterson, 6′ 5″ center, went through an unusually successful casaba campaign this season, winning 17 games while losing 6. Two of those defeats came at the hands of its potent conference rivals from Dundee, who were beaten only three times in 34 games.

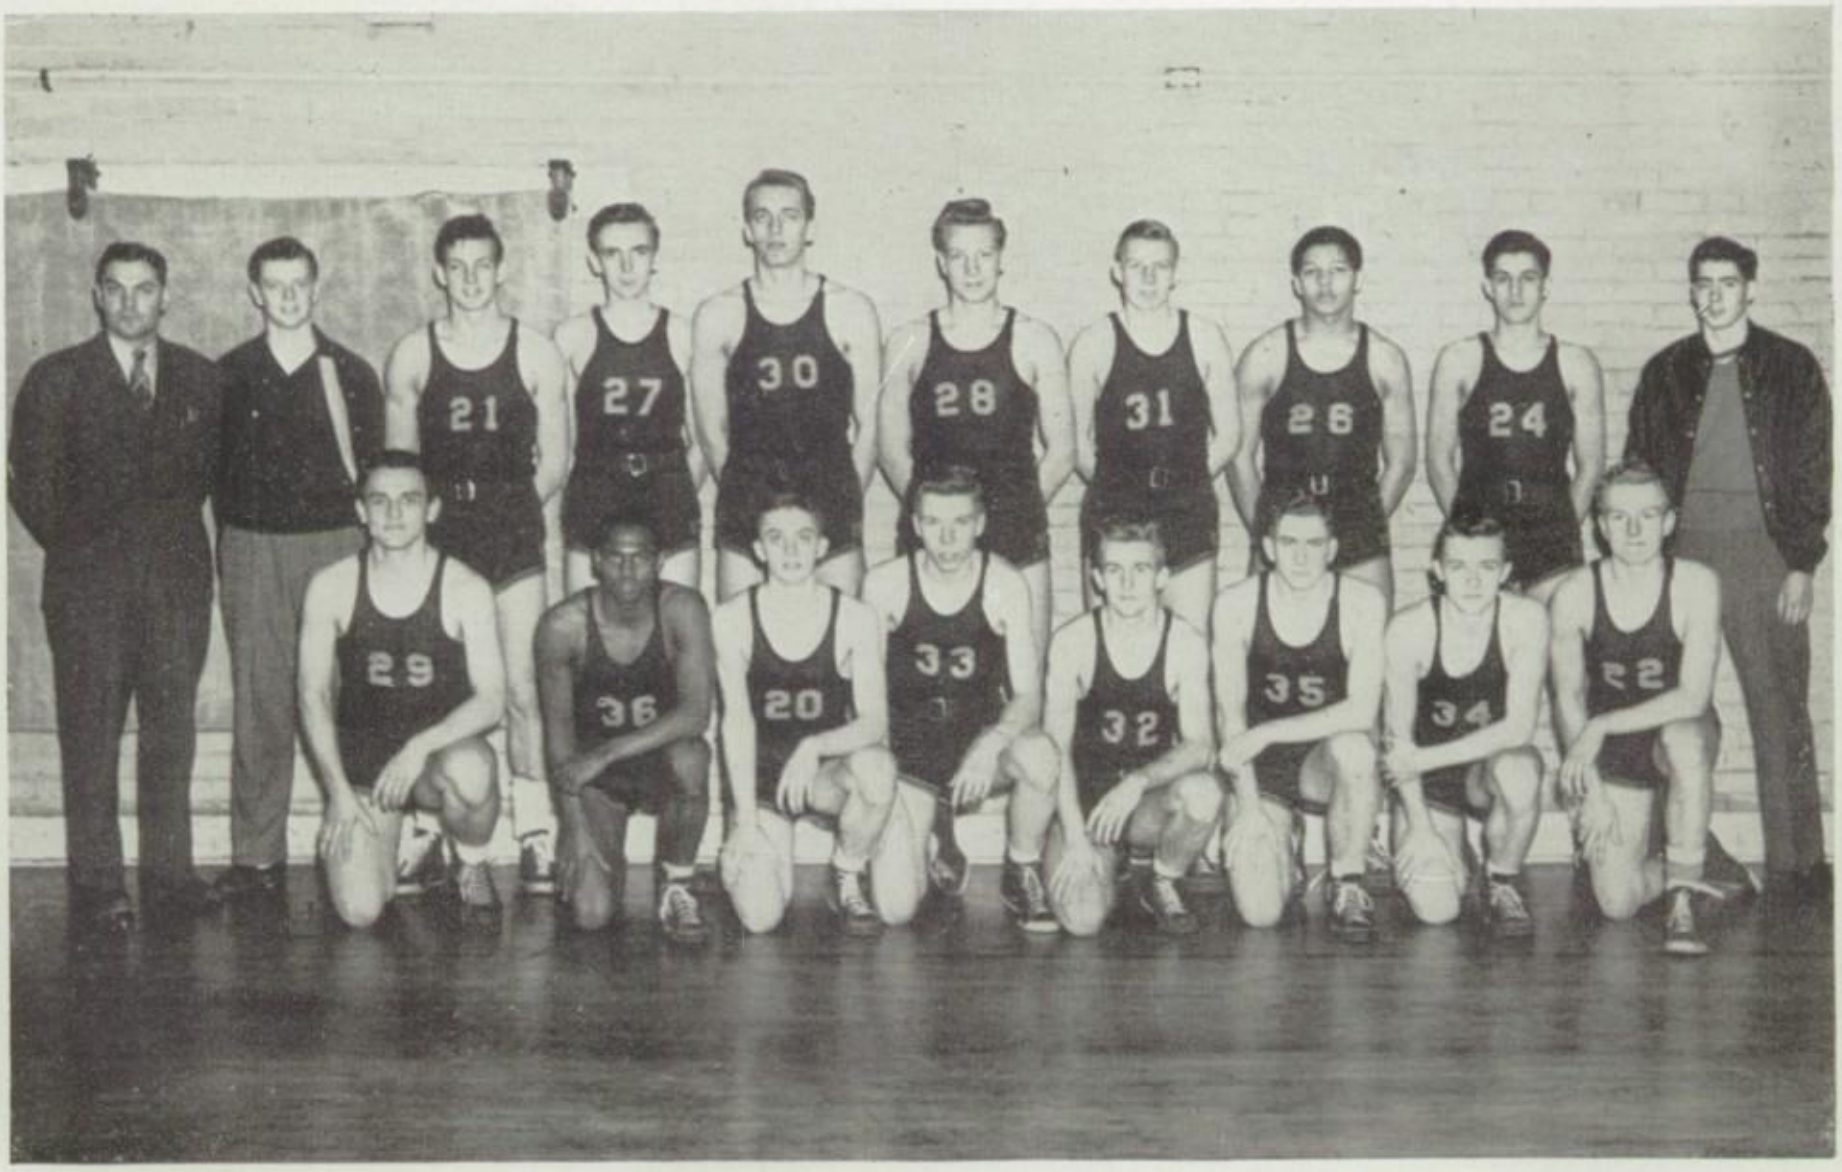
The Wheaton cagers finished the season in second place in the little seven conference with 11 wins and a trio of defeats, the third of which was administered by a rangy Batavia quintet. The Tiger conference record showed two wins over Sycamore, Naperville, St. Charles, Geneva, West Chicago, and one over Batavia.

The Wheaton five was led in those encounters by Patterson, who counted 187 points, and junior forward star, Dick Mize, who tallied 155. Also outstanding for the Tigers were ace senior ball-handling standouts, guards Bob McAssey and Brooks Wilder. Filling out the Tiger lineup were forward alternates, Bob Trescott, rugged senior; Don Brinks, 6′ 3″ senior; and Bob Mount, junior offensive ace; and versatile guard, George Dryden, freshman Negro flash.

Capt. Patterson, Mize, McAssey, and Wilder were selected on the All-Conference five, with Patterson rating the first team and the others, the second team.

VARSITY BASKETBALL

Front Row: Hopf, Dryden, Trescott, Mount, Wilder, Berry, McAssey, Freedlund.
Second Row: Coach Colin, Hyde, Mize, Lucas, Patterson, Brinks, Winthers, Sublett, Kletschke, Robinson.



Lights

The prospects for varsity basketball next year are something about which to be optimistic. There will be two varsity regulars and five varsity squadmen returning to form a nucleus for another strong team. Heading the list of returning veterans are Dick Mize, offensive ace of this season, who was selected on the second all-conference team; Bob Mount, five ball handler and push-shot artist; George Dryden, who played regularly as a freshman; Norm Lucas, 6′ 3″ pivot star who is especially adept at difficult-angle side shots, and Larry Freedlund, versatile junior footballer.

This group will be augmented by several frosh-soph stalwarts. Heading the ace frosh-soph stars are Jim Lane, ace sophomore guard; Jack McCarty, who was second only to Lane in team scoring this season; Bob Hadley, who made a specialty of pot-shot; and Harry Bauler, Herb Erickson, Don Gratteau, and Lee Droeger.

Coach Colin will have to change the offensive style of this year, because he will not have 6′ 3″ Patterson around whom to build the play cycle. Next year's team will, in addition, miss the steady floorplay of this year's guards, McAssey and Wilder.

FROSH-SOPH BASKETBALL

Front Row: Beutjer, Hadley, Bussart, Tadder, McCarthy.
Second Row: Coach Horsley, DeVan, Ecklin, Bauler, Gratteau, Erickson, Lane, Smith.

Track

A look at last year's track team shows the Tigers with a first place in the Wheaton Relays, the District meet, and the Little Seven Conference meet.

With thirteen returning lettermen, including Captain Tom Callinan, the Illinois State Half Mile Champion, the 1946 Tigers are right in stride with the best of Wheaton's track teams.

The Tiger thinclads, under the experienced coaching of Mr. Hodges and Mr. Poe, first began their training late last fall in cross-country running. Headed by Capt. Callinan, the cross-country boys did quite well for themselves.

For the first year since the start of the war track has gotten back to its pre-war status by resuming indoor track. The Wheaton tracksters made an excellent showing in the indoor season,

Baseball

losing only one dual meet and placing third in the Naperville Indoor Relays.

The Tigers came to their full strength, however, at the beginning of the outdoor season. In their first important appearance in an outdoor meet the Tigers won the Geneseo Relays. At the Du Page County meet Wheaton was third in the scoring. Sparked by Capt. Callinan, who bettered the State Half Mile record in running his leg of the two mile relay in 1:56 flat, the Tigers made a great showing in winning this year's Wheaton Relays.

The Tigers still have the Proviso Night Relays, the District meet, the State meet, and the Little Seven Conference meet on the schedule for the remainder of this year's season. From their showings this year the Tigers are favored in both the District and Conference meets, and should do well at both Proviso and downstate.

Wheaton's 1946 baseball team, studded with ten returning lettermen from last year's squad, registered three decisive victories in the first six games of a stiff sixteen game schedule. Although dropping the season's opener on March 28 to La Grange, 2 to 1, the Tiger nine avenged themselves by routing the Lions, 11 to 4, in a return game, and defeating Lockport and St. Charles, 6 to 2, and 4 to 0, respectively.

Led by Captain Karl Kletschke, Wheaton's ace moundsman and cleanup hitter, the lineup includes such veterans as Bob Trescott, shortstop; Bob McAssey, left field; Bob Mount, center field; Bill Winthers, first base; Jim Lane, second base; Bill Knippen, right field; John Karner, third base; Ken Jacobsen, second base; and Al Wessells, catcher. In addition to these lettermen, Don Patterson, rangy outfielder and pitcher, and Jude Collins and Harry Bauler, a pair of promising sophomores, have gained varsity berths.

A host of talented underclassmen have distinguished themselves as replacements for this year's graduating seniors. Several outstanding prospects are Dave Patterson, Bob Ecklin, Dean Bussart, Ed Ruch, Jack Kroehnke, Ray Burgess, and Larry Freedlund. This group and veterans Lane, Mount, Bauler, and Collins will form the nucleus for Coach Bud Colin's 1947 aggregation. Next year's hurling corps will be led by Mount, who has been victorious in several games this year, and Freedlund, Burgess, and Bauler, who have all seen considerable action on the mound.

John Karner was the president for the first semester, and Frank Golder for the second semester.

They also determine such policies as are necessary in our athletic program. Besides the faculty members and the coaches the A.B.C. has three student members, two elected in the fall and the president of G.A.A. who automatically becomes a member.

Choir

This year's choir was exceptionally fine. Programs were given along with the orchestra and glee clubs at the Department Club's Christmas program at the Methodist Church and the annual spring concert at the high school. Can you forget the joy of hearing the **Hallelujah Chorus** and **The Lost Chord.**

Playing for school dances makes the dance band an important part of the extra-curriculum of the school. With Joe Reinhardt as leader this year, the school's dance music was of the best.

Fortune Guild

One of the largest and most active organizations in W. C. H. S.—its membership is divided between the dramatic group and that of make-up, stage crews, and costuming. Admission into the dramatic group is still by try-outs which are limited to the three upper classes only. This year the Fortune Guild has undertaken the presentation of the first Children's Little Theater production in Wheaton, "Cinderella."

ORCHESTRA: (Strings only)

VIOLINS: Wilder, Impey, Pistler, Cross, Williams, Bussart, Tullar, Mundy, Abbott, Thomas, Sylvia, Sawyer, Whitman, Spencer, Sawyer. BASS: Wasson. CELLO: Fredricks. PIANO: Hendrickson, Swanson, Grant.

To the Seniors, playing for commencement is the most important thing the orchestra does all year, but it is only one of the many. With Miss Dirks directing, it performed at the Christmas Program at the Methodist Church, the Spring Music Concert, and provided music for the high school dramatic productions.

Glee Club and G. A. P.

Because of the mixed schedule this year, the Girls' Glee Club had to be broken into two groups, second period and third period. In spite of this handicap they managed to do a fine job throughout the year. Often they join with the Choir to give a program such as at Christmas or the "Citizens of Tommorrow" broadcast.

Strange noises and queer antics issuing from 103 are only a part of the tests which prospective members must pass in Eor's Glumy Place in order to become Genuine Admirers of Pooh. The Pooh Club also has a Christmas Party at the House in 100 Aker Wood where all enjoy Friendly Frolic with the G. A. P.'s of former years.

GLEE CLUB

F.T.A., Pre Med, and Latin Clubs

This was the second year for Future Teacher of America. The advisor was Mrs. Vining who did a grand job. The officers for this year were: president, Doris Gauger; vice president, Audrey Christianssen, secretary and treasurer, Joan Loser. This club disbanded after the first semester but hopes to be started again next year.

Pre-Medics, a newly organized club, is already proving to be a huge success. Its members are all students interested in following the medical field. Its purpose is to familiarize them with some of the background work in medicine.

Latin Club is organized for the furtherance of interest in and for the appreciation of this classical language. One of the big projects of the year is the Roman Banquet to which the members come attired in Latin costume. Food is Roman and eaten only with the aid of spoon. Bob Parott served in the office of president.

Knitting, knitting and more knitting was what went on in this club. Jane Bombard was president; Johnnie Johnson, vice-president; and Barbara Stafford served as treasurer.

If you have been wondering who was sending code messages around school all year long, it was the Radio Club led by Craig Allen. They practiced sending and receiving radio messages either in the chem. lab. or in the cafeteria. Bill Gartman was vice-president and Dick Leake kept the secretary's and the treasurer's books.

Sportsman's Club was organized for the pleasure of those who like hunting and fishing. Mr. Burger is the supervisor and because of his interest in both these activities, meetings are spent discussing wild life and their value to the Sportsman.

Besides meetings, parties are formed where the boys go together hunting or fishing, as a group.

Poetry Club is for all those who are interested in or have a liking for poetry of any kind. With Miss Felgar acting as advisor, she and Janet Helfrich the president led the club through the year. At the meetings, which are held at the homes of members, favorite poetry is read and refreshments are served.

This club handled all work done with the microphone and public address systems. In the fall, P.A. Crew handles the broad casting of football games and throughout the year take care of all sports, plays, and assemblies.

During the past year the movie crew has worked very hard in setting up and actually showing the movies on the screen. They not only show them for assemblies but also for the individual classes around school. Because of the fact that we have excellent equipment, we can show almost any film whether it be sound, silent, or slides.

The Usher Crew is responsible for seeing that there are ushers at the different school activities, and responsible for seeing that the people sit in the right seats. Miss Husted is the advisor for this club.

Broadcast, Reporters, and Art Club

The journalism class made up the reporters of the school paper along with the Reporters' Club. Papers came out twice monthly with Horold Gaede as its editor in chief; Joy Carlson, assistant editor; Fred Bremer, business manager; Jim Liebig, sports editor; Louise Henderson as exchange editor. With Miss McCormick as faculty advisor, the Broadcast achieved a First Class N.S.P.A. rating.

Jonnie Johnson served as president of the Reporters' Club this year. The Club gathered and wrote articles for the Broadcast and studied the methods used by commercial newspapers.

The Art Club this year did some very fine work in Shellcraft. Many of those colorful pins and brooches that are seen around school and around town for that matter, were made by Miss Houts and her students. Ceramics, drawings, and all sorts of special projects help fill in the rest of the year.

The library monitors, under the guidance of Miss Montgomerie, help make the library an interesting room where you can find all types of books. In addition to stamping the date due on your books, they keep the files in order, record the new books and magazines issued, and put articles of interest at your disposal.

This year the annual was edited by Bruce Jenks, and Mrs. Lytle was adviser. There were many obstacles this year, but in spite of everything, the staff did a fine job. For staff positions see page 2.

G. R. had for its officers this year Jane Durfee, Nancy Grove, Nancy Fredricks, and Aiko Tashiro in the offices of president, vice president, secretary, and treasurer, respectively. For social service work G. R. sent Thanksgiving baskets to families, Christmas ornaments and plants to Vaughn Hospital, old Christmas cards to crippled children, and gave a Christmas program with Hi-Y at the Old Peoples Home. G. R. has also had interesting programs. The atomic bomb and boy-girl relations speakers will probably be remembered by most, but also there were Christmas programs and Girl Reserve conferences. With the help of Miss Cowen and everyone who contributed, G. R. had a successful year.

G. R. JUNIORS

First row: Loerzel, Rohrs, Wilkins, Hildreth, Abbott, Gates, Mittman, Lund, McCullock.

Second row: Snyder, Monroe, Hoph, Elfstrom, McLean, Matula, Whitmer.
Third row: Stetston, Tillis, Ford, Lucas, Ockerlund, Glendenning, Gartner.

Hi-Y elected as its officers this year: Jim Ford, president; Bob McCarthy, vice-president; and Lee Droeger, secretary-treasurer. John Shurtleff, Fred Bremer, and Bob Berry served in the cabinet. Mr. Vaughn served as school advisor.

Such things as swims, hay and sleigh rides, pot-luck dinners, and basket ball took on the lighter side while a trip at Christmas time to the Old Folk's Home, a play given for wounded soldiers at Vaughn General Hospital, ornaments collected for Vaughn, discussions, and a delegation to the State Youth Conference filled the other side.

The ping pong tournament was again sponsored by Hi-Y, and Jack Baschen, last year's president, took charge of it. Meetings were held at the "Y" Center every other week for the programs, and the alternate weeks at school for business. Several meetings were worked in with the GR cabinet. The purpose of Hi-Y, "to create, maintain, and extend high standards of Christian living throughout the home, school, and community," stood for the club's goal.

Lettermen

Front row. McAssey, Witte, Wessells.
Second row: Callinan, Sublett, Impey, Elfstrom.

First row: Berry, Jacobson, Wilder, Hoph.
Second row: Kletschke, Brinks, Patterson, Ford.

CHEERLEADERS

To Whom It May Concern:

It was a great day around home when the final dummy of the annual was finished. People were screaming, laughing, sobbing, and throwing things in the air. But then came clean up day. Someone had to get that glue off the top of the desk, pull those staples out of the arm of the chair, and take a bawling out for ruining a couple of shirts by spilling rubber cement on them.

Seriously though, I learned a lot by working on the annual. I also spent a lot too, I'm afraid, but maybe out of this year's mess there will come better annuals. Better planning, administration, and layouts.

There's a lot of mistakes in this year's WECOMI, but with strikes, labor shortages, and shortages of materials—well I guess there were mistakes all over.

Sincerely,
Bruce Jenks

An end...and a beginning

★

Your pleasant, secluded high school days have come to an end but the long years that lie ahead are just beginning. For you, they'll be bright years . . . full of the hopes and dreams of those before you who only recently stormed far and hostile places to make them so.

You are the first June graduating class in five years to leave your high school halls and walk in the new sunlight of peace. Before you stretches unlimited opportunity in the sciences, in industry and agriculture, in the service of your community and country . . . or in the pursuit of still higher learning.

We know you'll choose your futures wisely and that, while building your new careers, you'll employ your talents toward the furtherance of good citizenship and constructive thought upon which is founded a well-ordered, peaceful world.

Congratulations and sincerest wishes for your success.
